Step 2: login succesfull now head to azure for student

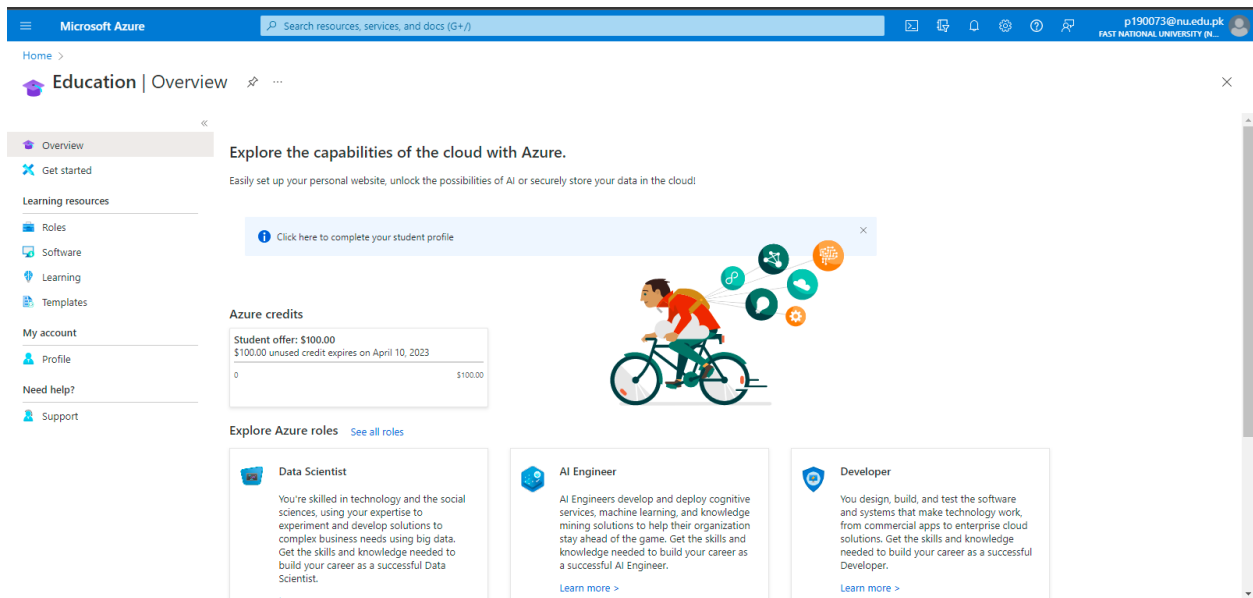

### Step 3: signup on azure as students

The screenshot shows the Microsoft Azure portal during the student signup process. A modal window titled 'Agreement' is centered on the screen. It contains two checkboxes: the first is checked and labeled 'I agree to the [customer agreement](#) and [privacy agreement](#).'; the second is unchecked and labeled 'I would like to receive information, tips, and offers from Microsoft about Azure and other Microsoft products and services, and for Microsoft to share my information with select Partners so I can receive relevant information about their products and services.' Below the checkboxes is a blue 'Sign up' button. In the background, the 'Azure for Students' banner is visible, stating 'Get \$100 in Azure credits and free access to popular cloud services plus developer tools like Visual Studio Code'. The top right of the portal shows the user email 'p190073@nu.edu.pk' and a 'Sign out' link.

### Step 4: account successfully created

The screenshot displays the Microsoft Azure Education Overview page. The top navigation bar includes the 'Microsoft Azure' logo, a search bar, and the user's email 'p190073@nu.edu.pk' with a 'Sign out' link. The left sidebar contains navigation links: 'Overview' (selected), 'Get started', 'Learning resources', 'Roles', 'Software', 'Learning', 'Templates', 'My account', 'Profile', 'Need help?', and 'Support'. The main content area is titled 'Education | Overview' and features a sub-header 'Explore the capabilities of the cloud with Azure.' with the text 'Easily set up your personal website, unlock the possibilities of AI or securely store your data in the cloud!'. A blue banner with a white icon and text 'Click here to complete your student profile' is positioned above a graphic of a person on a bicycle surrounded by various technology icons. Below this, the 'Azure credits' section shows a 'Student offer: \$100.00' and '\$100.00 unused credit expires on April 10, 2023'. The 'Explore Azure roles' section, with a 'See all roles' link, lists three roles: 'Data Scientist', 'AI Engineer', and 'Developer', each with a brief description and a 'Learn more >' link.
